Publication title

Journal

Publication date

If the charges exceed \$3,000, what will be the source of the difference?

I have attached a copy of the open access fee policy or journal's page charges

Terms & Conditions

- Funding for publications related to zoological research
 - At least one MCZ faculty-curator, postdoctoral fellow, graduate student, or staff member is senior or lead author
 - Maximum award of \$3,000 per publication
 - All publications must acknowledge the Wetmore Colles Fund
 - Funding must be requested in advance of publication. Post-publication requests will not be considered.
-

Please submit application by email to mczfunding@fas.harvard.edu. Applications are accepted on a rolling basis and will be reviewed by the Wetmore Colles Fund Committee. Decisions will be announced within ten business days following receipt of application.
